

# Shasta Bike Challenge Scoring & Prizes

## How does the scoring work?

- You score 20 points each day you ride and 1 point for every mile ridden
- **All outdoor rides count:** commuting, errands, mountain biking, road biking, family rides, etc. **Note: INDOOR RIDES DO NOT COUNT. Don't Cheat Yourself.**
- All data is input in the National Bike Challenge via Strava
  - Manually via web portal or smartphone app
  - Uploaded from gps device

## How does the raffle work?

For every day you log a trip, you are automatically enrolled into a raffle for a prize for that specific day. The more days you ride, the more likely you will win a prize. There are 31 days to ride, so you can be entered into the raffle 31 times. The raffle takes place the week after the Shasta Bike Challenge ends. Names will be randomly selected and winners will be individually contacted. **Note:** *Only local residents may be eligible for prizes.*

## Shasta Bike Challenge Top Workplace, School, and Team

Our local challenge will be going off of the National Bike Challenges Scoring System. The top 3 Workplace, School, and Team will be recognized.

## Other Categories for Recognition

### *Group*

- Top Workplace
- Top School
