

BMX Bike Safety Show School Application

Shasta Safe Routes to School

The Safe Routes to School Program is a federal program directed at improving the health and well being of children by encouraging them to safely walk and bicycle to school. The Safe Routes to School program is facilitating the StuntMasters BMX Bike Safety Show series occurring on **Monday, April 16th through Friday, April 20th** available to selected schools.

Bicycle Safety Show: "Ride Like You're Invisible" Not Invincible

This assembly style show is a great way to instruct students on proper bicycle road rules, protective gear, bike maintenance, and safe routes to school. "Ride like you're invisible" not invincible reminds students to make sure they are looking out for themselves with defensive riding skills. This 45-minute show is **FREE** of cost to your school and is a great way to promote bicycle safety education to students. The show can be performed either outside or indoors. Interested schools will need to fill out and turn in this application form following the instructions listed below. Participating schools will need to designate a contact person that will be available to work out the logistical details of the BMX show with a Safe Routes to School staff member. *StuntMasters website:* <http://www.stuntmastersinc.com/character-building.html>

Possible Performance Times:

Monday-Thursday, April 16th-19th
Friday, April 20th

9 AM or 1 PM
9 AM only

**some flexibility in time (dependent upon request)*

HOW TO SUBMIT APPLICATION

Email, mail, or drop off the second page of this application on or before March 15th, 2018.

**** There is a limited number of performance spots available. Middle and high schools that turn in applications will get priority over elementary schools. Schools that turn in their application first will get priority of their preferred performance dates & times.***

If you have questions, contact Nicole Lightfoot, 245-6583.

Email to nlightfoot@co.shasta.ca.us

Drop off or mail application to:

Shasta County Health & Human Services Agency – Public Health
