

See & Be Seen

Drivers

- Watch for pedestrians at all times.
- Never pass vehicles stopped at crosswalks. There may be people crossing that you can't see.
- Don't drive distracted. Put your electronic devices down when driving.

Pedestrians

- Make eye contact with drivers. Never assume a driver sees you.
- Be visible. At night, carry a flashlight or wear reflective material.
- Cross at crosswalks. If there are no sidewalks, walk facing traffic.

Bicyclists

- Wear bright, reflective clothing and a helmet.
- Ride on the right side of the road, in the same direction as traffic.
- Ride predictably. Use hand signals and follow the rules of the road.
