

JOIN US IN BUILDING THE FUTURE LOCAL FOOD ECONOMY

You're Invited to the 2nd
Roundtable Discussion

**Monday April 26th
2:00 - 4:00 PM, PST**

Our first roundtable discussion on March 22nd was a HUGE success. Join us as we meet once again to take the conversation a step further.

We want all of our local food producers and manufacturers, growers, restaurants, and retail establishments to join us. We'll talk more about the resources that already exist, and what's been developed since our first roundtable and how else we can even further grow our regional food-related economy.
